

CONDITIONS AND TERMS OF USE

Thank you for using the ePOOLICE Web site (the "Web Site"), which is provided by the ePOOLICE CONSORTIUM under FP7 (the "Consortium"). This page states the Terms and Conditions (the "Terms" or the "Agreement") under which you may use this Web Site. Please read this page carefully. By accessing and using this Web Site you accept and agree to be bound, without limitation or qualification, by these Terms. If you do not accept any of the Terms stated here, do not use the Web Site. The Consortium may, at its sole discretion, modify or revise these Terms at any time by updating this posting. You are bound by any such modification or revision and should therefore visit this page periodically to review the Terms.

1. Use of Material

The Consortium authorizes you to view and download a single copy of the material on the Web Site solely for your personal, non-commercial use. Special rules may apply to the use of certain software and other items provided on the Web Site. Any such special rules are listed on this Web Site and are incorporated into this Agreement by reference. You may not, without the prior written permission of the Consortium, "mirror" any material contained on this Web Site on any other server.

The contents of this Web Site, such as text, graphics, images, audio, video and other material as well as the domain names, tagline, organization and user look-and-feel of this Web Site (collectively, the "Material"), are protected by copyright, trademark and other such laws under both Spain and foreign laws, and are owned or controlled by the Consortium or by third parties that have licensed their Material to the Consortium. Unauthorized use of the Material may violate copyright, trademark, and other laws. You must retain all copyright and other proprietary notices contained in the original Material on any copy you make of the Material. You may not sell or modify the Material or reproduce, display, publicly perform, distribute, or otherwise use the Material in any way for any public or commercial purpose without the prior written permission of the Consortium. The use of the Material on any other Web site or in a networked computer environment for any purpose is prohibited, without the express written permission of the Consortium. The trademarks, logos and service marks (the "Marks") displayed on the Web Site are owned by the Consortium or third parties. You are prohibited from use of those Marks without the express, written permission of the Consortium or such third party.

If you violate any of these Terms, your permission to use the Material automatically terminates and you must immediately destroy any copies you have made of the Material.

2. Company's Liability

The Material may contain inaccuracies or typographical errors. The Consortium makes no representations about the accuracy, reliability, completeness, or timeliness of the Material or about the results to be obtained from using the Web Site and the Material. Any use of the Web Site and the Material is at your own risk. Changes are periodically made to the Web Site and may be made at any time. Some Material on the Web Site may be provided by third parties and the Consortium shall not be held responsible for any such Material provided by third parties.

The Consortium does not warrant that the web site will operate error-free or that this web site or its servers are free of computer viruses or other harmful goods. If your use of the web site or the material results in the need for servicing or replacing equipment or loss of profits or data, the Consortium is not responsible for those costs.

The web site and material are provided on an 'as is' basis without any warranties of any kind. The Consortium and its suppliers, to the fullest extent permitted by law, disclaim all warranties, including, but not limited to, the warranty of merchantability, non-infringement of proprietary or third party rights, and the warranty of fitness for particular purpose. The Consortium and its suppliers make no warranties about the accuracy, reliability, completeness, or timeliness of the material, services, software text, graphics, and links.

3. Disclaimer of Certain Damages

In no event shall the Consortium, its suppliers, or any third parties mentioned at this site be liable for any damages whatsoever (including, but not limited to, incidental, exemplary, and consequential damages, lost profits, or damages resulting from lost data or business interruption) resulting from the use or inability to use the web site and the material, whether based on warranty, contract, tort, or any other legal theory, and whether or not the Consortium is advised of the possibility of such damages. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you, in which case such exclusion or limitation applies to the fullest extent allowable under the applicable law.

4. Links to Other Sites

The Web Site may contain links to third party Web sites that are maintained by others. Any such links are provided solely as a convenience to you and not as an endorsement by the Consortium of the contents on such third-party Web sites. The Consortium is not responsible for the content of linked third-party sites and does not make any representations regarding the content or accuracy of materials on such third-party Web sites. If you decide to access linked third-party Web sites, you do so at your own risk.

5. Limitation of Liability

Your use of the Web Site is at your own risk. If you are dissatisfied with any of the Materials or other contents of the Web Site or with these Terms and Conditions, your sole remedy is to discontinue use of the Web Site. Under no circumstances shall the Consortium be liable to any user on account of that user's use of the web site. Such limitation of liability shall apply to prevent recovery of any and all damages including, without limitation, direct, indirect, incidental, consequential, special and exemplary damages arising from any use of the web site, including any damages that may be incurred by third parties.

6. Indemnity

You agree to defend, indemnify, and hold harmless the Consortium, its officers, directors, employees and agents, from and against any claims, actions or demands, including without limitation reasonable legal and accounting fees, alleging or resulting from your use of the Material or your breach of the terms of this Agreement. The Consortium shall provide notice to you promptly of any such claim, suit, or proceeding and shall assist you, at your expense, in defending any such claim, suit or proceeding.

7. User Information

The Consortium shall be responsible for the user data protection and shall comply at any time with European Directive EC/46/95 and the Spanish Data Protection Act 15/1999.

8. General

The Consortium makes no claims the Materials are appropriate for any particular purpose or audience, or that they may be downloaded outside of the European Union. Access to the Materials may not be legal by certain persons or in certain countries. If you access the Web Site from outside of the European Union, you do so at your own risk and are responsible for compliance with the laws of your jurisdiction.

All legal issues arising from or related to the use of the Web Site shall be construed in accordance with and determined by the laws of Spain applicable to contracts entered into and performed within Spain without respect to its conflict of laws principles. By using this Web Site, you agree that the exclusive forum for any claims or causes of action arising out of your use of this Web Site is the Madrid County. You hereby irrevocably waive, to the fullest extent permitted by law, any objection which you may now or hereafter have to the laying of the venue of any such proceeding brought in such a court and any claim that any such proceeding brought in such a court has been brought in an inconvenient forum.

If any provision of this Agreement is found to be invalid by any court having competent jurisdiction, the invalidity of such provision shall not affect the validity of the remaining provisions of this Agreement, which shall remain in full force and effect. No waiver of any term of this Agreement shall be deemed a further or continuing waiver of such term or any other term. Except as expressly provided in a particular "Legal Notice" for material on particular web pages, this Agreement constitutes the entire Agreement between you and the Consortium with respect to the use of the Web Site. Any changes to this Agreement must be made in writing, signed by an authorized representative of the Consortium.

12. NOTICE SPECIFIC TO SOFTWARE AND OTHER MATERIAL AVAILABLE FOR DOWNLOAD ON THIS WEB SITE

All software, tools, utilities or other material ("Software") that is made available to download from this Web Site contains or may contain proprietary material and confidential and/or classified information that is protected by applicable intellectual property and other laws, except in the Public Web Site Section which contains unclassified material and information authorised for public dissemination.
